H100EC H02DEC H03EC  
H02EC

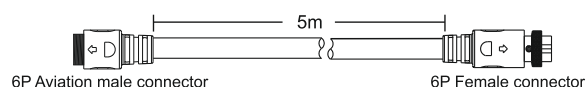

## DESCRIPTION:

Heinrich 6-Pin Conference Extension Cable is a high-quality, reliable solution designed to extend the reach of your conference room equipment. This cable features six pins, ensuring compatibility with a wide range of conference systems and devices. Constructed with durable materials and advanced technology, it delivers superior signal transmission and minimizes interference for a crystal-clear audio and video experience. Ideal for both small and large conference rooms, this extension cable offers flexibility and convenience without compromising performance.

## SPECIFICATIONS:

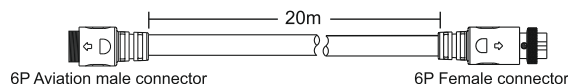

H05EC (6-Pin Conference Cable) 5M Male-Female Extension Cable

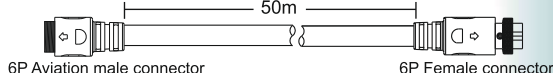

H10EC (6-Pin Conference Cable) 10M Male-Female Extension Cable

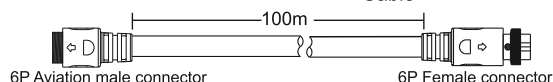

H20EC (6-Pin Conference Cable) 20M Male-Female Extension Cable

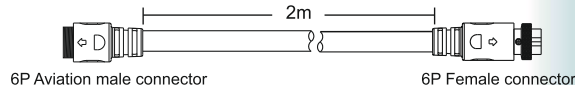

H50EC (6-Pin Conference Cable) 50M Male-Female Extension Cable

H100EC (6-Pin Conference Cable) 100M Male-Female Extension Cable

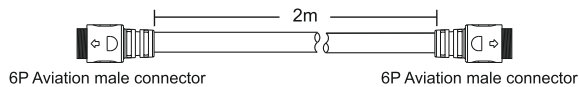

H02DEC (6-Pin Conference Cable) 2M Male-Female Extension Cable

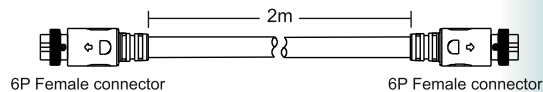

# Extension Cable

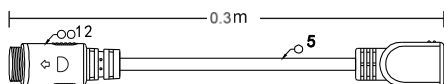

H02EC (6-Pin Conference Cable) 2M Male-Male Extension Cable

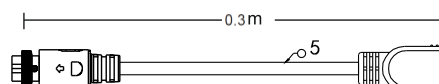

H02MEC (6-Pin Conference Cable) 2M Female-Female Extension Cord

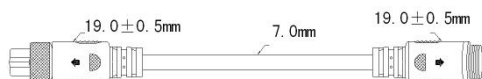

H03EC (6-Pin Conference Cable) 0.3M Female-RJ45 Female Extension Cable

H03DEC (6-Pin Conference Cable) 0.3M Female-RJ45 Female Extension Cable
