

DESCRIPTION:

Heinrich's HC Player, a versatile audio solution designed for seamless integration into various setups. With a compact 2U height, it serves both tabletop and rack-mount applications, ensuring flexibility and convenience. This state-of-the-art HC Player epitomizes the perfect fusion of functionality and convenience, representing an exceptional choice for a wide array of audio applications. Elevate your auditory experience with Heinrich's unwavering commitment to quality and innovation.

FEATURES:

- Experience space efficiency and durability with the sleek 2U design suitable for both tabletop and rack mounting. The aluminum alloy panel ensures a robust and stylish exterior.
- Enjoy precise control and user-friendly functionality with advanced microcomputer control. The touch-button operation adds a modern and intuitive element to your audio experience.
- Benefit from a prolonged lifespan and enhanced dustproof performance with the innovative intake-type CD player design, prioritizing longevity and reliability.
- Ensure uninterrupted playback with a high-reliability CD core, integrated with the ESS decode system, providing robust error recovery for a seamless audio experience.
- Streamline your audio playback experience with automatic play control and full digital service, ensuring a hassle-free and efficient operation.
- Expand your entertainment options with wide-ranging disc compatibility. The player supports CD, VCD, MP3, and DVD playback, offering versatility for your multimedia needs.
- Immerse yourself in superior audio quality with the 1 channel audio signals delivering crisp left and right channel outputs (L / R).
- Experience the convenience of an integrated MP3 player with seamless support for USB and SD cards, providing easy access to your favorite digital audio files.

CD/MP3 Player

SPECIFICATION:

Model	HC-Player
Power Supply	~220V/50Hz
Power Consumption	30W
Frequency Response	20Hz~20KHz (-2dB)
THD	<0.1%
Channel Separation	65dB
Dynamic Range	75dB
S/N Ratio	85dB
Audio Output	2 Channel Balanced RCA (0.775V/600Ω)
Audio Input	CD Drive, USB, SD Card
Dimension	435mm x 300mm x 81mm
Weight	5.2kg
