

Wireless Presentation Device

HWP810

DESCRIPTION:

Heinrich's HWP810 is a cutting-edge wireless presentation device that eliminates the need for heavy video cables. Designed for conference rooms and classrooms, this device seamlessly connects audio and video equipment to create a modern, efficient, and interactive wireless presentation environment. Featuring a convenient Type C signal output, the HWP810 ensures fast and reliable connections, allowing for quick and easy high-definition screen sharing. With support for 4K image quality, even 2K computers can benefit from forced 4K resolution output, delivering a stunning and immersive visual experience.

FEATURES:

- 75-inch DLED LCD display with 4K Ultra HD display, narrow frame design, support USB multimedia file playback.
- Built-in 12MP high-definition camera and 8 array microphones, the sound pickup distance is up to 10m, support automatic noise reduction, automatic gain, echo cancellation, and sound source localization.
- Equipped with 2.1-channel professional audio, 5 scene sound effects optional: standard, conference, human voice, music, cinema.
- High-precision touch, support 1.6mm fine recognition.
- Support Type-C full-featured interface to realize screen projection, reverse control, audio and video signal transmission functions.
- HDMI supports 4K 60Hz loop-through output; DP supports 4K 60Hz input.
- The screen and screen protection layer adopt zero bonding technology to effectively prevent light reflection.
- Support anti-glare, using AG tempered glass to reduce ambient light interference, screen reflection and glare damage to eye.
- Support hardware-level anti-blue light, filter and reduce harmful high-energy short-wave blue light, long-term viewing without fatigue.

Wireless Presentation Device

SPECIFICATION:

Model	HWP810
Supported system types	Windows 7/8/9/10/11/Apple Mac
Wi-Fi module	5GHz/2.4GHz
Wi-Fi bandwidth	867Mbps
Maximum transmission resolution	3840×2160
Input frame rate	Type C 30fps
Transmission distance	Open space 30 meters/office environment 4K-15 meters
Touch reverse control	Support
Wireless speed	Maximum 867Mbps
Wireless transmission protocol	WiFi5
Wireless transmission protocol	80.85×21.33×194.64mm
Product size mm (L×W×H)	0.113kg (including adapter 0.116kg)
Net weight
