

60W COLUMN LOUDSPEAKER

OCM60/T

DESCRIPTION:

Heinrich's OCM Column Loudspeaker redefines the standard for audio excellence in outdoor environments. With an impressive IP56 rating and compliance with IEC60849 and EN54 standards, this loudspeaker combines robust, weather-resistant construction with a sleek and stylish design.

Featuring 3.5" full-range speakers with a crossover to a horn tweeter, the OCM Series is an ideal choice for wall-mounted applications where both superior sound quality and aesthetics are paramount. The aluminum structure is meticulously sealed with a silicone rubber gasket, ensuring exceptional water resistance and durability. The speakers offer a versatile opening angle (HxV) between 210 to 70 degrees @1KHz, meeting the stringent standards set by BS.

All HEINRICH loudspeakers have undergone tough testing procedures to ensure that all products can operate at their rated power in compliance with IEC60268 part 5 and with low voltage directive BS EN 60065. In addition, all the fire-rated products have undergone actual fire tests to ensure compliance with 855839 part 8.

FEATURES:
